### Description Area

COMMUNICATION AGREEMENT: I understand that communication and feedback regarding my USA Pickleball Ambassadorship and pickleball in my area is a necessity for the continued growth of our sport. This may be communication with or between other players, other Ambassadors, my District Ambassador, my Assistant Regional Director (if applicable), my Regional Director, or my Sector Leader, by email, by phone, or in person. I understand for email communications to arrive in my email inbox safely, effectively, and consistently, I must "whitelist" the USA Pickleball server (usapickleball.org), in my email program or application. I also understand that I will be required to complete, throughout the year and in a timely fashion (upon its delivery to me), short, concise, topic driven Ambassador surveys. Any disregard for these communication requirements or their intent may be cause for the dismissal from any and all appointed volunteer duties and responsibilities, and removal of any titles that I may be assigned.
