**Calls continue until we have completed all books.**

**You can join any time throughout the year and review the prior recordings.**

## **Description:**

**REFS & RULES Study Group** is open to all USA Pickleball officials, including verified trainees. It focuses on the 2025 Officiating Handbook, 2025 Official Rulebook, and the 2025 Referee Casebook. Each week, we will read every page, word for word, beginning from where we left off the week before.

This zoom call is an ideal way for all levels of referees to stay on top of all the rules and best practices. If you are a **trainee just starting out** on your referee journey, you will find this a very welcoming community, with everyone wanting to help you succeed. If you are a credentialed referee - **Level 1 or Level 2** - this weekly call is an excellent and useful resource. **Certified Referees** - this is your opportunity to share your experiences, give back to the community, and stay on top of the latest rules and best practices.
