 6,9 vs 10,16

1. With the exception of the 5 and 6 Player format, the maximum time to complete the rotation is based on using just two courts.
2. In some of the rotations just one or two players remain who need to play their final game. You will need to draw to see who they play with or against. Player number to include in the draw are provided. These are players they have not played with or against during the rotation.

If you don't mind extending the time of the rotation for ONE more game.....Your TOP FOUR players move on to the FINAL 15 POINT CHAMPIONSHIP GAME. (See score sheets for determining players with the four highest scores)

The player with the highest score (1) and the player with the lowest score (4) will play against the 2nd and 3rd place players.

Add the scores from the final game to the score sheet to determine your first, second, third and fourth place finishers!!

We found that the rest of the group really enjoyed watching the FINAL CHAMPIONSHIP GAME!
