Stress and Conflict Resolution

Description Area

DEALING WITH STRESS

Sometimes players can become overly agitated, and harsh words can be exchanged before, during and/or after a game. This can be a result of line calls, disagreeing with the referee, procedural offenses, rules misinterpretations, lack of knowledge by players, or simply personality conflicts between players and/or officials. How would you help calm any of these stressful situations and find a resolution?

Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat.
