

The USA Pickleball Tournament Player Ratings (UTPRs) can be viewed in your USA Pickleball Member profile. [Click here.](#)

Before appealing, please consider:

- trying the new skill level as you may find this is where you fit
- that you can always elect to “play-up”
- being a UTPR 3.5 allows you to play up but not in Pro or Open events
- that all players are treated equally using the ELO Method so you may find that your peers’ UTPRs have adjusted as well

If you feel an appeal is appropriate, please email UTPR appeals to ratingsadmin@usapickleball.org.

Upon receipt of the appeal:

- the rating is reviewed.
- a decision is made.
- the player is notified.
- the UTPR is updated.
