

2023 USA Pickleball Grant Program Quarter 1 Report

The following report summarizes the 2023 USA Pickleball Grant Program for Quarter 1 (USA Pickleball Accounting report received on April 3, 2023). The USA Pickleball Grants Committee hopes the information shared will help you understand how the USA Pickleball grant funds are being utilized across the country, and within each region.

Please be aware that the USA Pickleball Grant Program is being impacted in 2023 by the following:

- Increased engagement with local communities and organizations via the USA Pickleball Recreation Programs & Services staff
- Increased engagement and education of USA Pickleball Ambassadors via the USA Pickleball Recreational Programs & Services staff and Field Operations team
- Two full-time USA Pickleball staff members chair the USA Pickleball Grants Committee and are charged with making the Grants Program more efficient per the recommendations of the Committee
